## **Elexus Harris Memorial Scholarship Application 2022**

Lexy Harris graduated from Riverdale High School in 2013. On Monday, December 26th, 2016 Elexus Harris encountered an accident and was painfully taken away from us. Lexy was taken from us too young and too soon. Lexy was a beautiful soul that could make anyone at any given time smile. Someone who knew how to touch everyone. Someone who truly looked to make a difference in the world. Lexy was studying nursing at the University of Wisconsin-Eau Claire at the time of her death. This scholarship has been established as an aide to students looking to make a difference in the world with the same type of passion and commitment that Lexy held.
